SCHEDULING ORDER

Date	Item				
October 9, 2020	Plaintiff serves preliminary ¹ infringement contentions in the form of				
	a chart setting forth where in the accused product(s) each element of				
	the asserted claim(s) are found. Plaintiff shall also identify the				
	earliest priority date (i.e., the earliest date of invention) for each				
	asserted claim and produce: (1) all documents evidencing conception				
	and reduction to practice for each claimed invention, and (2) a copy				
	of the file history for each patent in suit.				
October 16, 2020	Case Management Conference				
October 30, 2020	Deadline for Motions to Transfer				
(2 weeks after the					
CMC)					

¹ The parties may amend preliminary infringement contentions and preliminary invalidity contentions without leave of court so long as counsel certifies that it undertook reasonable efforts to prepare its preliminary contentions and the amendment is based on material identified after those preliminary contentions were served, and should do so seasonably upon identifying any such material. Any amendment to add patent claims requires leave of court so that the Court can address any scheduling issues.

Date	Item
December 4, 2020 (7 weeks after the CMC)	Defendant serves preliminary invalidity contentions in the form of (1) a chart setting forth where in the prior art references each element of the asserted claim(s) are found, (2) an identification of any limitations the Defendant contends are indefinite or lack written description under section 112, and (3) an identification of any claims the Defendant contends are directed to ineligible subject matter under section 101. Defendant shall also produce (1) all prior art referenced in the invalidity contentions, (2) technical documents, including software where applicable, sufficient to show the operation of the accused product(s), and (3) summary, annual sales information for the accused product(s) for the two years preceding the filing of the Complaint, unless the parties agree to some other timeframe.
December 18, 2020 (9 weeks after the CMC)	Parties exchange claim terms for construction.
January 8, 2021 (12 weeks after the CMC)	Parties exchange proposed claim constructions.
January 13, 2021 (13 weeks after the CMC)	Parties disclose extrinsic evidence. The parties shall disclose any extrinsic evidence, including the identity of any expert witness they may rely upon in their opening brief with respect to claim construction or indefiniteness. With respect to any expert identified, the parties shall identify the scope of the topics for the witness's expected testimony. With respect to items of extrinsic evidence, the parties shall identify each such item by production number or produce a copy of any such item if not previously produced.
January 15, 2021 (13 weeks after the CMC)	Deadline to meet and confer to narrow terms in dispute and exchange revised list of terms/constructions.
January 22, 2021 (14 weeks after the CMC)	Parties file Opening claim construction briefs, including any arguments that any claim terms are indefinite. ²
February 5, 2021 (16 weeks after the CMC)	The parties shall disclose the identity of any rebuttal expert witness they may rely upon in their response brief with respect to claim construction or indefiniteness. With respect to any expert identified, the parties shall identify the scope of the topics for the witness's expected testimony.
February 12, 2021	Parties file Responsive claim construction briefs.

² The parties understand that the Court expects to issue a new version of the Order Governing Proceedings – Patent Case in the near future, and that the dates and sequence of *Markman* briefs may change based on the version of the order that issues.
